## Q3 What do you like about the existing Dinosaur Park?

Answered: 103 Skipped: 0

#	RESPONSES	DATE
1	Love to sit in the shade of the trees and listen to the birds or talk to other neighbors that are there. Love that it is a neighborhood park and has always been there since Barranca Mesa was set up. Love the dinosaurs play structures, all the trees and the grass. Also the park is ADA compliant with wide sidewalks and a curb cut and has fun dinosaur footprints in the cement paths. The sand is soft and the kids love playing in it and the scrub oak forest.	3/24/2026 10:02 PM
2	My 3-year-old son absolutely loves playing on all the "dinosaur" equipment. He has the cutest imagination—he pretends the dinosaurs are chasing him and trying to eat him! It's so adorable to watch.	3/23/2026 9:34 PM
3	Climbing structuring. Theme.	3/23/2026 8:38 PM
4	That it's fenced in	3/22/2026 3:03 PM

12	The little side walk that is within the dinosaur park for tike bikes	3/9/2026 11:42 PM
13	The large trees, open green space, and fencing around the play areas. The wild oak area that comes into the park is neat because kids can explore. We live nearby and notice many people use the park to play with dogs and small children. The dog-waste collection station and garbage bin is important to keeping the park clean (and often full), and the shade is great in the summer. The park is used every day by many people.	3/8/2026 6:22 PM

39	Grass, big cottonwood trees, maple trees, oak "forest" and dinosaur swings and dinosaurs to climb on as well as a nice slide. Shade is especially welcome when it is hot out; it is nice to stop and sit on the grass under the trees and cool down and enjoy the park.	2/22/2026 12:30 PM
40	The trees	2/21/2026 6:08 PM

46	It's location relative to our house.	2/17/2026 8:30 PM
47	We love all the trees. The big cottonwoods provide welcome shade and the maples with their changing colored leaves are just gorgeous! Some decorated trees with lights during the holiday season! It is so nice on a really hot day to sit on the grass under the trees to cool off as a pleasant stop during the warmer months as well. Also, of course the dinosaur swings and dinosaur climbing structures and the footprints are so fun! Also, the baby swings are only available at this park-none of the surrounding parks have them.	2/16/2026 3:59 PM
48	Swings	2/15/2026 11:25 AM
49	The location	2/13/2026 4:29 PM

51	The classic vintage theme	2/12/2026 8:11 PM
52	There are shade and sunny areas, a "little forested" area for exploration and imaginative play, a table for picnics, swings for all ages, dog waste can near by.	2/11/2026 5:07 PM
53	The dinosaurs are neat! Just not enough to do...like it to be for littles and elementary kids.	2/11/2026 2:49 PM

71	Kids love the dino theme and the sandy area for playing in	2/8/2026 8:07 AM
72	When my kids were little we used to visit regularly We loved dinosaur park because of the dinosaur structure on the playlot- it made it unique and triggered their imagination. it's important to keep that uniqueness and avoid making this into another generic playground. The dinosaur structures are really neat and if they could be rehabbed instead of thrown away it would be ideal.	2/8/2026 7:59 AM
73	The play equipment, the size and the convenient location.	2/8/2026 6:53 AM
74	Shade	2/7/2026 11:28 PM

86	The dinosaur theme	2/7/2026 9:28 AM
87	I love that it's close to home. We loved the baby swings when my kiddo was younger (there are relatively few playgrounds with baby swings, at least when she was little). We love the shade over the benches/tables. Please keep the big trees!	2/7/2026 7:49 AM

100	The wooded area at the east end of the park is great for kiddos to play and hide in. The mature trees provide nice shade.	2/5/2026 1:03 PM
101	It is a simple park with space to sit and relax, or for kids to play in the grass and in the sand. There are just enough toys for the kids to play on to give them something physical to do. The trees and grass offer a very pleasant environment for people to sit and relax.	2/4/2026 7:51 PM

1	Could add one more play structure that kids with a handicap could possibly play better on. There was a wheelchair swing that was just removed from the Barranca Elementary school down the road. I heard it might have gone to Mountain Elementary for use there.	3/24/2026 10:05 PM
2	I would like to see equipment more teen related	3/16/2026 6:01 PM
3	It's very well lit during any time kids would play. The streetlights nearby on Barranca are extremely bright. If anything, changing the play equipment to something more natural and less-action specific might be great. A raised platform with ramps, or structures known to inspire creative play.	3/8/2026 6:28 PM
4	ANTS	3/8/2026 5:49 PM
5	Install sidewalks across busy streets to Park and to make it so kids can cross the busy streets to get to bus stops- school and public bus.	3/3/2026 2:38 PM
6	More play equipment that sparks imagination and where kids can play together on structures	2/26/2026 11:02 AM
7	Could use crosswalks to get to the park.	2/22/2026 12:32 PM
8	Parking	2/20/2026 10:55 PM
9	Some outdoor exercise structures for seniors	2/18/2026 7:45 AM
10	A fully closable fence.	2/17/2026 8:31 PM
11	where the old concrete meets the new concrete there are some bumps. also potentially a gate in opening of the fence on the side of the road with the dangerous curve. A crosswalk would also be nice up or down the street as not only is it hard to cross the street to get to the park, but school children do not have a crosswalk to get across the street to their bus stops/County bus stops..	2/16/2026 4:03 PM
12	Dinosaur statue and dinosaur shaped equipments	2/13/2026 4:30 PM
13	Ant control	2/12/2026 8:13 PM
14	Walkway has several uneven places = tripping hazzard	2/11/2026 5:09 PM
15	The sand is never in great condition and there are usually a ton of ants!	2/11/2026 2:50 PM
16	additional picnic tables	2/9/2026 5:09 PM
17	The fence on the outside could use some gates instead of just being open	2/9/2026 10:58 AM
18	Fenced in park	2/7/2026 5:42 PM
19	Lots of ants is an issue , also lots of deer poop that stays on the sand . Maybe sand is not the best choice	2/7/2026 5:11 PM
20	I would like to see other equipment dedicated to toddlers	2/7/2026 3:15 PM
21	We enjoy the existing equipment, but it's pretty spread out. More equipment would be great!	2/7/2026 7:50 AM
22	Sand	2/7/2026 6:52 AM
23	Play Equipment Paint	2/6/2026 1:06 PM
24	Clear signage that the park is not a dog park	2/5/2026 8:27 PM
25	The park facility is generally acceptable as is. The equipment could be updated, but that's not a necessary activity.	2/4/2026 7:55 PM
26	Add dinosaur prints	2/4/2026 6:11 PM

## Q10 What is your favorite memory of this park? (optional)

Answered: 44 Skipped: 59

#	RESPONSES	DATE
1	All the trees and running through "the forest".	3/24/2026 10:07 PM
2	Watching my kids imagination grow!	3/23/2026 9:42 PM
3	Watching my kids and then grandchildren play.	3/20/2026 7:47 PM
4	We like the theme, my kids love dinosaurs	3/16/2026 6:01 PM
5	Christmas lights and taking our little ones there for picnics.	3/9/2026 11:47 PM
6	We visit this park all times of day and love seeing people play with their kids and dogs. It's always a quiet space, clean, and the great shade the cottonwood tree provides allows us to sit and watch the crows and migratory birds. Our favorite memory is using the mostly-fenced area to train our new rescue dog to come back to us when we call her. She loves the park and is friends with the dog who lives next door.	3/8/2026 6:32 PM
7	Taught my kids how to swing here (love the low swings!!!), picnics in the summer and fall	3/8/2026 5:53 PM
8	I love memories of taking my kids here. They love it.	3/4/2026 11:01 AM
9	None	3/3/2026 8:30 PM
10	Neighborhood park for Barranca Mesa divisions one and two. Always been there. So grateful for the park. Played there as a child in the oak "forest" and then enjoyed the dinosaurs for multiple generations of children. Also so nice this park has nice shade with the big trees. Too many parks in Los Alamos do not have good shade.	3/3/2026 2:45 PM
11	Making piles with the leaves in the fall , playing with grandsons	2/24/2026 7:09 PM
12	This has always been a park for the top part of Barranca Mesa. Always had the oak forest which was fun to explore and have "adventures" in. The dinosaurs came later and have always been a fun part of the park hence everyone around calls it Dinosaur Park.	2/22/2026 12:37 PM

22	Before it was a dinosaur park it was also a fun park to play in -remember the scrub oak forest for "adventures through the jungle". Dinosaurs make it fun as well. Love the dinosaurs and all the trees.	2/10/2026 3:07 PM

29	My kids would play on the dinosaurs and pretend that they were real. Then we would have a picnic. I'm a Los alamos native, and I loved the unique themes our pennies used to have, like Cinderella, Rocketship, and Cowboy. I'm afraid that they are all becoming generic now.	2/8/2026 8:02 AM

43	I have used the park for the last 18 years with my grandchildren. They have enjoyed the park as is and have never asked for anything to be changed or added. None of them has ever been hurt at the park as a data point regarding safety.	2/4/2026 7:58 PM

## Q11 What is the one feature in the existing park that you think should be preserved?

Answered: 80 Skipped: 23

#	RESPONSES	DATE
1	All the trees! Please! We of course also need the fun dinosaurs play structures, since it is called Dinosaur park!	3/24/2026 10:07 PM
2	I would say one of the dinosaur jungle climbing things.	3/23/2026 9:42 PM
3	The stegasaurus climbing structure	3/23/2026 8:39 PM
4	We like the dino theme	3/22/2026 3:04 PM
5	I do like the dinosaurs. If removing them is necessary adding them in a creative, artistic way would be incredible! Kind of like the old play structures are the mini-golf in East Park.	3/22/2026 2:25 PM
6	Think it all should be preserved. The equipment and the trees.	3/20/2026 7:47 PM
7	My kids like the dinosaur theme. The footprints in the concrete are a nice touch.	3/20/2026 10:26 AM
8	Theme	3/16/2026 6:01 PM
9	I think at least some of the dinosaur equipment should be kept and/or the whole theme should remain dinosaur related. It makes the park more interesting and unique.	3/11/2026 7:56 PM
10	Trees!	3/10/2026 6:10 AM
11	Unsure maybe the arm bars	3/9/2026 11:47 PM
12	The trees! (And dog waste container.)	3/8/2026 6:32 PM
13	Pterodactyl swings	3/8/2026 5:53 PM
14	Dinosaur theme and trees	3/7/2026 6:57 AM
15	The dinosaurs	3/5/2026 7:21 AM
16	The dinosaur footprints in the sidewalk	3/4/2026 11:01 AM
17	None	3/3/2026 8:30 PM
18	Trees must be preserved. No cutting down trees, no disturbing the roots or tramping on the roots and compacting the soil around the roots (as with big construction equipment or even going over the soil many times with heavy wheelbarrows) as this will kill the trees-if not right away then within a year or two. This would be tragic as again many parks in Los Alamos do not have good shade. All the neighbors love this park. Please do the minimum to this park and keep it open. Thank you.	3/3/2026 2:45 PM
19	The dino theme	3/2/2026 9:21 PM
20	Keep one of the dinosaur climbing structures and build around it.	3/2/2026 7:30 AM

24	The sidewalk.	2/27/2026 11:58 AM
25	Dinosaur features. An improvement would be to add signage explaining the origin of its name	2/26/2026 11:04 AM
26	Dinosaur theme	2/25/2026 10:47 PM
27	Cottonwoods	2/24/2026 7:09 PM

28	All the dinosaur theme stuff.	2/24/2026 8:34 AM
29	Think it needs overall uodate	2/23/2026 7:55 PM
30	Dinosaur footprints	2/22/2026 2:52 PM
31	You must keep all the trees, please!! Also please keep the dinosaurs! Note if you do add any additional play equipment, please avoid any plastics or rubber as these decay rapidly at high altitude with the UV rays of the sun and the dry climate. We don't need more plastics in our environment.	2/22/2026 12:37 PM
32	The big cottonwood trees	2/21/2026 6:10 PM

37	Shade trees please!! (and of course the dinosaurs)	2/16/2026 4:05 PM
38	The name	2/13/2026 4:31 PM
39	Big shade trees. Please consult an arborist before any work that would tamper with the soil around the trees- either digging, compressing soil or adding something on top that would not allow water to get to the tree roots. Please do not close this park for very long. Don't see much that requires any changes.	2/13/2026 2:29 PM
40	The theme!	2/12/2026 8:14 PM
41	Play equipment - for climbing, swings; slide is good but steps need attention. This park does not really need to be overhauled.	2/11/2026 5:12 PM
42	At least 1 dinasaurs or the dinasaurs theme...	2/11/2026 2:50 PM
43	Everything but especially the trees. Nice shade especially in the summer!!!	2/10/2026 6:13 PM
44	Big trees- please be careful - disrupting the soil and roots of the trees or going over the soil over the trees with heavy equipment compacts the soil causing the trees to suffer and potentially die.	2/10/2026 3:07 PM
45	The trees	2/10/2026 8:29 AM
46	Please, please, please, keep the dinosaur theme as well as the name of the park!!!!	2/9/2026 10:11 PM
47	The baby swings	2/9/2026 8:29 PM

58	The trees	2/8/2026 6:57 AM

59	Swings	2/7/2026 5:43 PM
60	The theme! Keep the dinosaurs! Stop making the playgrounds boring as shit. Themed parks are the best.	2/7/2026 5:25 PM
61	The climbing dinasours	2/7/2026 5:12 PM
