Roll-Off Container Rental Request Form

Roll-Off Container Rental Rates:

- **Base Rate**: $341.00 per container. The New Mexico Gross Receipts Tax (NMGRT) will be applied to all services.
- **Disposal Fees**: Disposal charges will be based on the current tipping rate.
- **Rental Period**: Pricing includes a 30-day rental. An additional $10 per day will be charged for extended rental beyond 30 days.
- **Account Requirement**: An active account is required to access this service.

Guidelines and Responsibilities:

- **Space Requirements**: The roll-off container must be placed in a suitable area on private property, clear of overhead power lines, trees, and other obstructions. If no appropriate space is available, a Traffic Control permit must be obtained for placement on the street. For permit information, contact the Traffic Division at (505) 662.8396.
- **Weight Limit**: The maximum allowable weight for any roll-off container is 10 tons.
- **Heavy Materials**: When disposing of heavy materials (e.g., concrete, shingles), the roll-off container should only be filled to half of its capacity to ensure the weight limit is not exceeded.
- **Material Limitations**: All material must be below or level with the top of the container. Materials should not exceed the top or sides of the container.
- **Service Fees**: A $105.00 service fee will be applied in the following cases:
  - Overweight or Overflowing container
  - Blocked container (vehicles blocking directly or to close for comfort)
  - Same-day cancellation of service, if the issue is resolved promptly and the container is made accessible for service within 20 minutes of the driver's arrival, no service fee will apply.
- **Notification Requirements**: A 72-hour notice is required for roll-off placement and service.

*** Please initial below to confirm that you understand the terms outlined above and agree to notify us at least 72 hours in advance when you need roll-off pickup.
